

myFreeFit Disclaimer

Always consult a physician before starting any fitness or diet program. The content and information provided by this site is not meant to replace any prior plans or relationships with professionally suggested plans or regimes. All workout plans, nutrition plans, and progress reports are absolutely 100% free and have absolutely no monetary intentions. Plans provided are only a collection of information gathered and are nothing more. The workout plans and nutrition plans are not suitable for everyone and should not be considered as so. The content of this site is not intended to substitute any counseling you may need by a professional. Any concern with participating in programs, such as those provided on myFreeFit.com, should be addressed and resolved solely by the user, and is the user's responsibility.

By accessing myFreeFit.com (myFreeFit.com refers to the website and all associated content within and provided by), you certify that you have received prior consent from your health care professional to participate in any such workout or nutrition plans as provided throughout myFreeFit.com. That is, myFreeFit.com shall not be held responsible or liable for any injuries or complications resulting from participating in a workout plan or nutrition regime. In doing so, you release myFreeFit.com creator, Corey Stone, from any and all liabilities and claims arising from your participation in any of myFreeFit.com's static and provided content.

myFreeFit.com creator, Corey Stone, does not currently have a degree and is not currently pursuing any degree related to nutrition science, sports physiology, or any fitness or nutrition related degrees. Corey Stone has a B.S. in Mechanical Engineering and does not intend to allude or persuade anyone to believing or thinking otherwise. No content or statements regarding any of the content have been approved by the Food and Drug Administration or any other similar or well-known organization.

myFreeFit.com is a website containing and providing fitness and nutrition related content. Neither the creator nor any subsidiaries of myFreeFit.com are, or claim to be professionals, degree-holders, or certified. No individual or group associated with myFreeFit.com, including the site creator and any subsidiaries, is to be held liable or accountable for any negative or unwanted condition that may arise before, during or after using any of the content provided on or by myFreeFit.com. This privacy policy and all statements within are subject to change at any time and may not reflect or be current with recent updates.
